

REMARKS

The specification was amended to cite proper priority to foreign filed applications. The claims have been amended to conform to USPTO practice and to remove multiple dependent claims. No new matter was added by these amended claims and support can be found throughout specification and drawings.

Entry of the amendments is respectfully requested.

Should there be any questions concerning this application, the examiner is respectfully invited to contact the undersigned at the telephone number appearing below.

Respectfully submitted,

Dated: September 2, 2006
